PILBARA COLLECTION

by RITEMATE AUSTRALIA

Pilbara Collection is an innovative brand that is rapidly expanding on the Australian market.

Having a major involvement in the Australian Textile & Clothing industry over the last thirty years, the executives of Pilbara Collection bring a wealth of experience and knowledge to a growing range of high quality garments that are fast gaining popular consumer recognition amid a myriad of high profile brand names.

When asked “what is the point of difference between Pilbara Collection and other more well known and longer established brands”, we are proud to say that though, Pilbara Collection is ‘the new kid on the block’, our vast experience and wealth of knowledge within the textile & clothing industry allows us to offer consumers, through selected stockist a range of high quality garments with value for money in our brand. Pilbara Collection is backed up by the three important elements essential to the needs of consumers: “Service, Quality & Price”. Our highly reputable parent company was established in 1977 and we would never have been around for that long without recognising the needs of our customers and following through with a service attitude that we believe is second to none.

Styling, fit and fabric performance are key features in the Pilbara Collection range of garments. General Manager, David Mair says “Practical designs, wearing comfort and hard wearing fabrics all combine to give our exciting new brand the acceleration that we are currently experiencing in this broad spectrum market”.

For a comfortable fit it is important to measure correctly.
When measuring make sure the tape is level and not tight.

- NECK** Measure around the neck where the top of the shirt collar would sit – Leaving room for comfort
- CHEST** Standing naturally, measure around the fullest part of the chest and shoulder blades measuring under the arms
- WAIST** Measure over undergarments around your natural waistline
